

Food, culture and wildlife: great tours of Japan

Temples and art of the Inland Sea

Marvel at Japan's ancient temples and modern art installations on this journey along the Shikoku pilgrimage route. The tour, led by a Buddhist art historian, takes in some of the route's best temples and tranquil gardens, along with stops at museums housing some of Japan's best contemporary art, including handmade ceramics.

Details 12 nights costs from £4,395pp, including flights, most meals, transport, all excursions and guiding (01223 841055, aceculturaltours.co.uk)
